## **Additional Notes:**

**Transfer Credits:** Transfer students and their advisors should consult the student's Transfer Equivalency Report (TEP) when questions arise regarding transfer credit. Both student and advisor can access the TEP through myOleMiss. During advising, the advisor may locate this document via the advisee dropdown box. Transfer credits that have no precise equivalent at UM may earn either generic academic-area credit (i.e. Eng 2XX) or generic UM credit (i.e. UM 1XX); generic academic-area credit may count as academic-specific elective credit, and generic UM credit may count towards the student's total credit hours (120 hours). Not all transfer work will count towards graduation requirements. The College of Liberal Arts homepage has useful information regarding transfer credit. Under the "Students" tab, click on "Transfer Credit Information".

**Community College Transfer Credits:** No more than half of the coursework submitted for the degree may be from a community or junior college.

**Study Abroad:** Students who plan to study at another university should complete the "Exchange or Affiliate Program Course Approval Form" prior to going abroad. This form is available through the Office of Study Abroad.

**Academic Residency Requirement:** At least 25 percent of the semester credit hours required for an undergraduate degree (e.g., 30 hours for a 120-hour degree) must be taken in residence. In addition, at least 30 semester hours of residence credit must be taken in the school or college recommending the degree.

**Last 21-Hour Residency Requirement:** No more than 6 of the last 21 hours may be transfer credit.

**Degree Application:** In their senior year, all students must submit a degree application, documenting the completed & in-progress coursework.

**Additional Advising Information:** The College of Liberal Arts website has information to assist with advising.
